

enjoy the lives we are able to lead. Our first responders put their lives on the line every day to keep our communities safe, and for that we can never say “thank you” enough.

Louisiana and West Feliciana Parish are better because of Chief Achord, and I ask that you keep his family and his firehouse in your prayers as they grieve.

PRESSING ISSUES FACING THE NATION

(Mr. BROWN of Maryland asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BROWN of Maryland. Madam Speaker, enough is enough. Congress has a huge list of urgent, overdue bipartisan priorities for the American people, and we can't keep kicking the can down the road.

The short-term funding bill congressional Republicans passed yesterday ignores the pressing issues facing our Nation: funding the Children's Health Insurance Program and Community Health Centers; delivering needed resources to fight the deadly opioid epidemic; protecting our DREAMers from deportation; and providing disaster relief for Americans ravaged by hurricanes, mudslides, and wildfires.

These issues aren't going away. We must work together to address them immediately. Yet House Republicans have passed a fourth short-term funding measure in 4 months.

This month-by-month approach is reckless and dangerous for the entire Nation. It hinders our military, medical research, and infrastructure investments. It hurts seniors who depend on Social Security and Medicare and veterans getting care at the VA.

We need to stop the gimmicks and the cycle of delay. This is no way to run the government.

Madam Speaker, let's stop putting off for tomorrow the things we need to do today. Let's get to work.

REQUESTING THE RELEASE OF DOCUMENTS

(Mr. ZELDIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ZELDIN. Madam Speaker, yesterday I went to the Capitol basement, where I read a classified document that angered me. It was frustrating. It was disappointing. It was also greatly enlightening.

The American people deserve, they must, they want to know what is in this document. Release the memo. Release the memo and all of the related material sourced in the memo. Release the file.

There is no concern—there should not be—for compromising any good sources and methods by releasing the memo and releasing the file. What it would reveal is the Fed's reliance on bad sources and methods.

The American public deserves the truth. We should not hide the truth from them. They have waited too long. Do not pull the wool over their eyes. Show them the facts. They deserve nothing less.

HONORING PAUL BOOTH

(Ms. SCHAKOWSKY asked and was given permission to address the House for 1 minute.)

Ms. SCHAKOWSKY. Madam Speaker, I rise today to honor the life and mourn the loss of a precious friend and mentor, Paul Booth.

Paul was a lifelong happy warrior for justice and a renowned progressive champion. For decades, he was a top leader in his union, AFSCME, fighting every day for working women and men.

From his youth as a student leader until the very day he died, he fought for peace and equality and opportunity. Paul Booth made things happen. He was a strategist and, above all, an organizer. With his life partner, Heather Booth, Paul inspired and taught us to work smarter and be better.

Paul Booth will be sorely missed by all those he touched, including my husband, Bob, and me. We were cherished friends for decades.

Our hearts go out to Heather and his sons, Gene and Dan, and all those whose lives he inspired and that he touched. We are so sorry. We are heartbroken.

NORTHAMPTON TOWNSHIP NAMED ONE OF THE 25 SAFEST CITIES

(Mr. FITZPATRICK asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FITZPATRICK. Madam Speaker, I rise today to recognize Northampton Township in my district in Bucks County, Pennsylvania, for being named the safest community in Pennsylvania.

Northampton rose to the top of the list of 25 safest cities with over 39,000 residents with a score of 90.97, the top fifth percentile in the entire Nation. The rankings are run by SafeHome, a professional security organization dedicated to making communities safer.

This recognition would not have been possible without the dedicated work of the entire Northampton Township Police Department and the leadership of Police Chief Mike Clark. Every day, these men and women put their lives on the line to protect their family, their friends, and their neighbors.

Quoting Chief Clark, who said it best:

It is not just us; it is working hand in hand with our residents, our administration and our board of supervisors, our fire department, our rescue squads, our school district. It is everyone working together that makes this a great place to live.

Well said, Chief Clark. We are so proud of the emergency services, governmental officials, and residents of Northampton Township. A job well done.

ON DACA AND DREAMERS

(Ms. VELÁZQUEZ asked and was given permission to address the House for 1 minute.)

Ms. VELÁZQUEZ. Madam Speaker, as Republicans demonstrate their inability to fund the Federal Government, 700,000 young people are left with an uncertain future. These DREAMers exemplify what is best about America. They have served in our military. They have built businesses and contributed to our communities.

This administration has waged an all-out assault on these young people, placing them in jeopardy and sowing fear that they will be sent back to countries that they do not even know. And now Republicans in Congress are turning their back on these young people as well.

We could have passed a fix to this problem as part of a government funding bill. That would have been a bipartisan solution, and it would have been supported by the vast majority of the American people.

Eighty-seven percent of Americans say DREAMers should be allowed to stay in the United States, yet President Trump is holding these young people hostage for a useless and offensive border wall. This is unconscionable.

We have a moral obligation to act. Congress needs to stay here and have an open vote on a clean DREAM Act. That is our moral obligation.

THE FILIBUSTER NEEDS TO END

(Mr. MOONEY of West Virginia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MOONEY of West Virginia. Madam Speaker, as you just heard from the previous speaker and you read often in the press about a potential government shutdown, let me just tell you how this works.

The House passes a bill, then the Senate considers a bill. In the Senate, you either vote on the bill with majority vote or the minority party may choose to filibuster that bill. If the minority party chooses to filibuster the bill, which requires 60 votes for cloture, that shuts down that bill from passing.

We have passed 12 appropriations bills out of this Chamber right here that are still sitting in the Senate waiting to be taken up. One, the Democrats need to drop the filibuster.

I wish the majority party over there would actually put the bills on the floor and make the country see the filibuster live for all to view. You might see that over the weekend. I hope the majority leader does that.

What would cause a lack of funding for the government is simply the minority party, which is the Democrats, in the Senate abusing the filibuster and causing the government not to be funded. That is what is causing it. That is a fact.

You may have different opinions on other issues, but the fact of the matter
